Sir:

INFORMATION DISCLOSURE STATEMENT

In accordance with Applicant's duty of disclosure under 37 C.F.R. §1.56, Applicant submits herewith the enclosed PTO Form 1449 together with the attached non-U.S. Patent Office references. These references that are attached are published in English and recited in the International Search Report for this application. Applicant would note that one of the references is an abstract of Soviet Union Patent No. 1618352A issued January 7, 1991. Applicant does not have a full copy of this patent reference, and provides only that portion supplied together with the International Search Report. However, the relevance of the extract and drawings is reflected by the English translation which indicates that the invention includes a milking machine having teatcups with rubber liners that connect it to a pulsor. The English translation of the text of the abstract is appended hereto, together with the drawings. The International Search Report indicated this reference as a matter of general
